Administration leads the way at EHS. This year, as in past years, the leaders of our school were confronted with many problems that needed answers and decisions that took many long hours of hard work. Although the school board works without pay, it is their responsibility to see that our school runs smoothly and each student benefits from their work.

We Work Behind the Scenes At EHS

1

Although these people work behind the scenes and are seldom recognized, our school could not function properly without them. 1. Clerical workers, like Mrs. Lola Hill, are responsible for all secretary work in the school. 2. Harold Dissler and other custodians work around the clock to keep our school clean. 3. The bus drivers and cooks are up at dawn to make sure we get to school and are well fed when we get here. 4. Mrs. Bernice Estes must make sure the entire student body keeps healthy. All of these people are here to help us get through the daily routine of school.

Mrs. Medcaris, the high school counselor, is in picture 1. She has the almost impossible task of placing every student in the class they want and still let every teacher have the students they want. In picture 2, we see Mrs. Burns, the junior high counselor. She guides the kids while they are going thru their pre-adolescent stage, a big job for one person. In picture 3 Jack Mitchell, the student council president, attending the needs of another student. Picture 4 shows Mrs. Messick, the grade school counselor. She has served the school for 24 years. FTA and NHS Get Ready for the Future By Hard Work Today

1. Linda Eslinger finds out how it feels to be the old teacher who leads the class. 2. The FTA is very popular among the E.H.S. students as you can tell by the picture. 3. With Mark Lynn as their president, the NHS kids utilize their time on Club Day. 4. As is shown in this picture, the members of the NHS look pretty happy about their future. 5. Julie Lewis was elected Regional Secretary for FTA. 6. The Brawn (in white) look prepared but it didn't do any good as the Brains beat them 22-12 in the annual Powder Puff game. 7. Glenn Camp and Bradley Witt had the tough job of sponsoring the NHS. 8. Steve Harris (center) was elected "Puff King" while Bob Mowrey and Denny Whitesell were his cute "attendants". 9. Mrs. Barbara Burns was this year's FTA sponsor and by the look on Jody Brown's face the members enjoyed having her. Mr. Steve Nutt was also FTA sponsor.

Where Have All the Speech Students Gone?

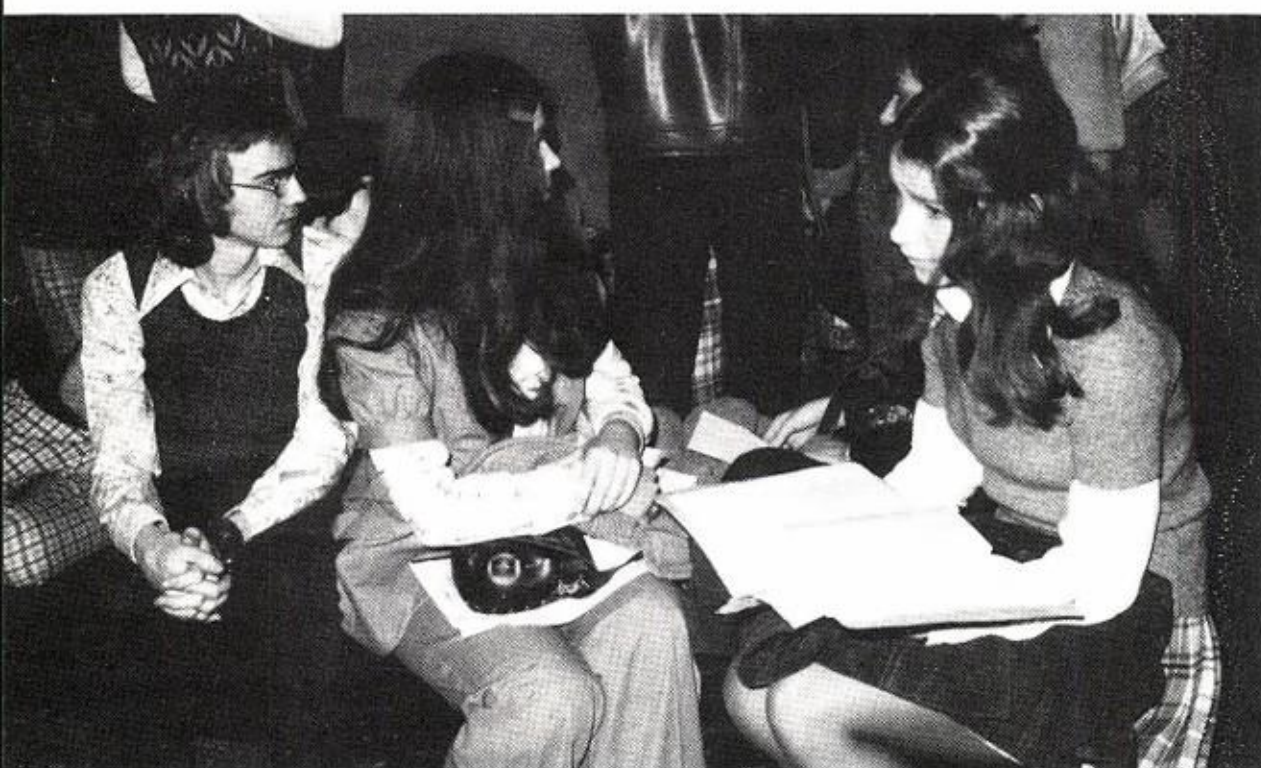

This year the speech students have traveled far to speech contests. They worked hard and won many awards. The first award they received this year was the "Happy Hog Award" for being the best sports and nicest team at the Fayetteville, Ark. speech contest. They went on to district and state.

English and Literature classes took on a new look with the addition of 10 new classes to the curriculum. The new classes available to students are Science Fiction, Literature of the Horror and the Supernatural, Mythology, Linguistics, Bible Literature, Folklore, Short Story, Creative Writing, Adolescence and the Novel, and Vocabulary Development. These new classes were available to sophomores, juniors, and to seniors while freshmen were still required to take English their first year. In picture 1, the bulletin board pretty well explains what kind of stories students read in some of the new classes. Mr. McDaniels is one of the teachers who teach the new courses. He teaches such classes as Science Fiction and Literature of the Horror and the Supernatural as he is doing in picture 2. In picture 3, students in Mr. Witt's Short Story class are acting out a play about the author Jesse Stuart. Janet Powell, Debbie Negus, and Judy Coleman are acting out a skit in a panel on vampires that they had in Literature of the Horror and the Supernatural in picture 4. Along with the new literature classes available to students this year, they were also allowed to take foreign language classes such as Spanish and French 1 and 2. Mrs. Allison was the Spanish teacher this year. Picture 5 shows Miss Septak who teaches French as well as Junior High math. The Spanish club is shown in picture 6. The 21 students who were members of Quill club are shown in picture 7. Debbie Perkins, Quill club president, is shown leading discussion in a quill club meeting in picture 8. Many pictures of famous authors appeared on Mr. Witt's wall as one can see in picture 9. Mrs. Perkins is shown in pic. 10 teaching to one of the many classes that she teaches.

The Hectic World Of Journalism

Most people know that the Journalism classes write, type, and edit the El Hi Mo and put out the "Bulldog". We also make movies, announce ball games, make publicity releases on school activities to area papers, and phone in results of ball games. It's hectic, but a lot of fun! 1. Donna Morley, "Bulldog" editor, is trying to estimate how many pictures in an annual. 2. Jim Simrell, top annual salesman, demonstrates his selling technique to Lisa Truitt. 3. Donna sometimes has trouble keeping her staff awake. 4. Kent's trying to finish his annual pages, due last week. 5. Journalism II had to crawl out on the roof to be out of reach of Mrs. Sadler. 6. Bulldogs Play Football to Win

The 1973 football season was a big success with the Bulldogs holding 13 positions on the West Central Conference and Honorable Mention Teams. Kent Kelsay and Mike Whitesell were named to the All District Team, and Kent was named all state honorable mention. 1. Sr. Bruce Walker was named to the Honorable Mention Team as a defensive back. He played quarterback his three high school years. His senior year he attempted 63 passes with 32 completions for 513 yards with an average of 16 yards per pass and a percentage of 52. 2. Sr. Rick Pinkman was named to the West Central Conference Team as a defensive linebacker and also received Honorable Mention as a offensive end. He led the team with 82 tackles and had the most team points with 41. 3. Sr. Kent Kelsay was named to the W.C.C. team as a running back and also to the All-District Team and honorable mention in the state. He had 289 yards rushing with 68 carries for an average of 4 yards per carry. He was also a big member of the defensive team playing outside linebacker making 56 tackles. 4. Sr. Mark Lynn and 5. Sr. Gary Howell were named to the Honorable Mention team as defensive ends. Mark was a member of the offensive team running at tailback with 144 yards rushing and a 3 yard per carry average. 6. Sr. Brad Belcher was named to the H.M. Team as a offensive tackle. 7. Jr. Jerry McCormick was named to the W.C.C. Team as a defensive linebacker and had 76 tackles. He was also a starter on offense playing guard and fullback. 8. Sr. Mike Whitesell was named to the W.C.C. Team as a defensive tackle and to the All-District Team. Because of a leg injury he only played in 4 conference games and made 59 tackles. 9. Jr. Earl Miles was named to the W.C.C. Team as a defensive guard and also received H.M. as offensive guard. He had 49 tackles on defense and was always around the ball. 10. Sr. Benny Brower was named to the H.M. Team as an offensive guard. He also played at defensive tackle and made 18 tackles. 11. Jr. Leslie Witt was named to the H.M. Team as a running back. He had 519 yards rushing with 82 attempts of an average of 6 yards per carry. He played also on the defense as a defensive back and had 22 tackles. Season went like this.

Eldo Holds the Regional to Finish The Season

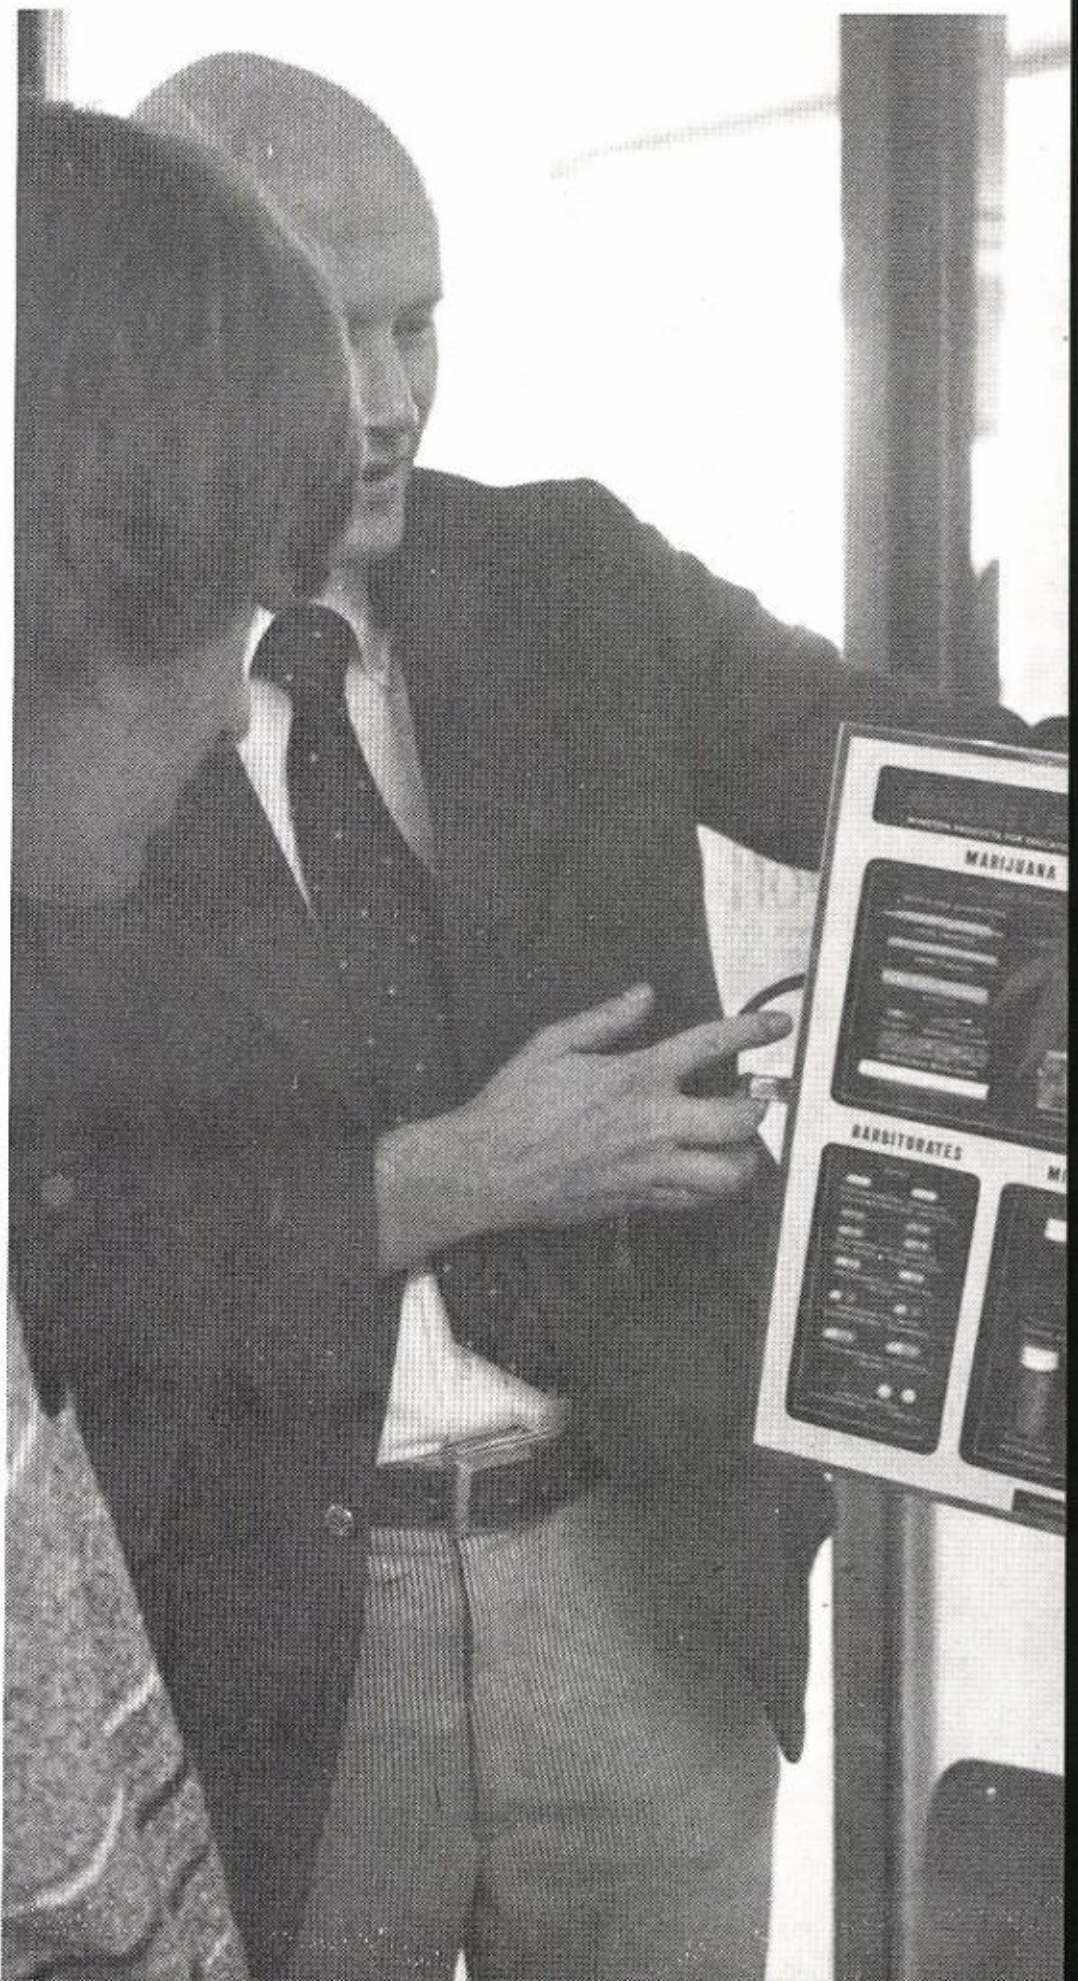

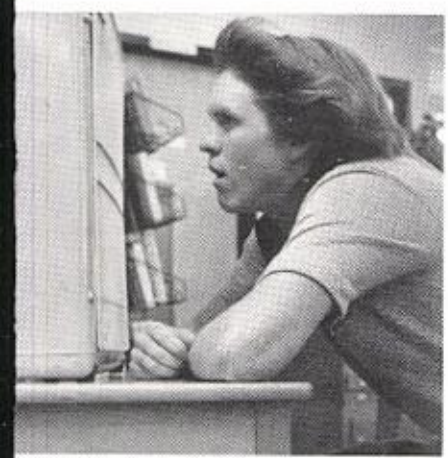

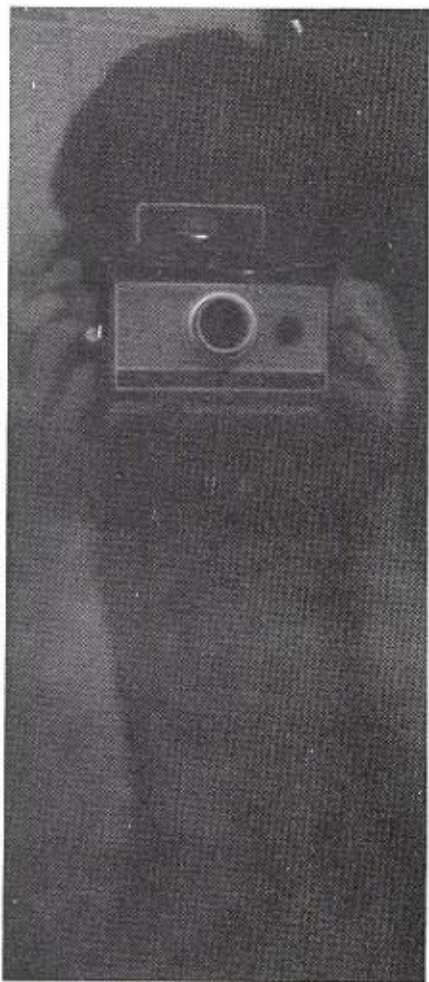

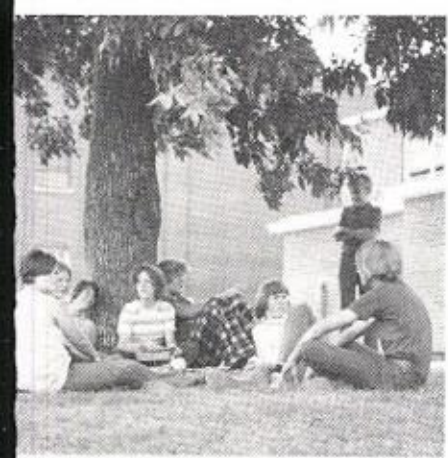

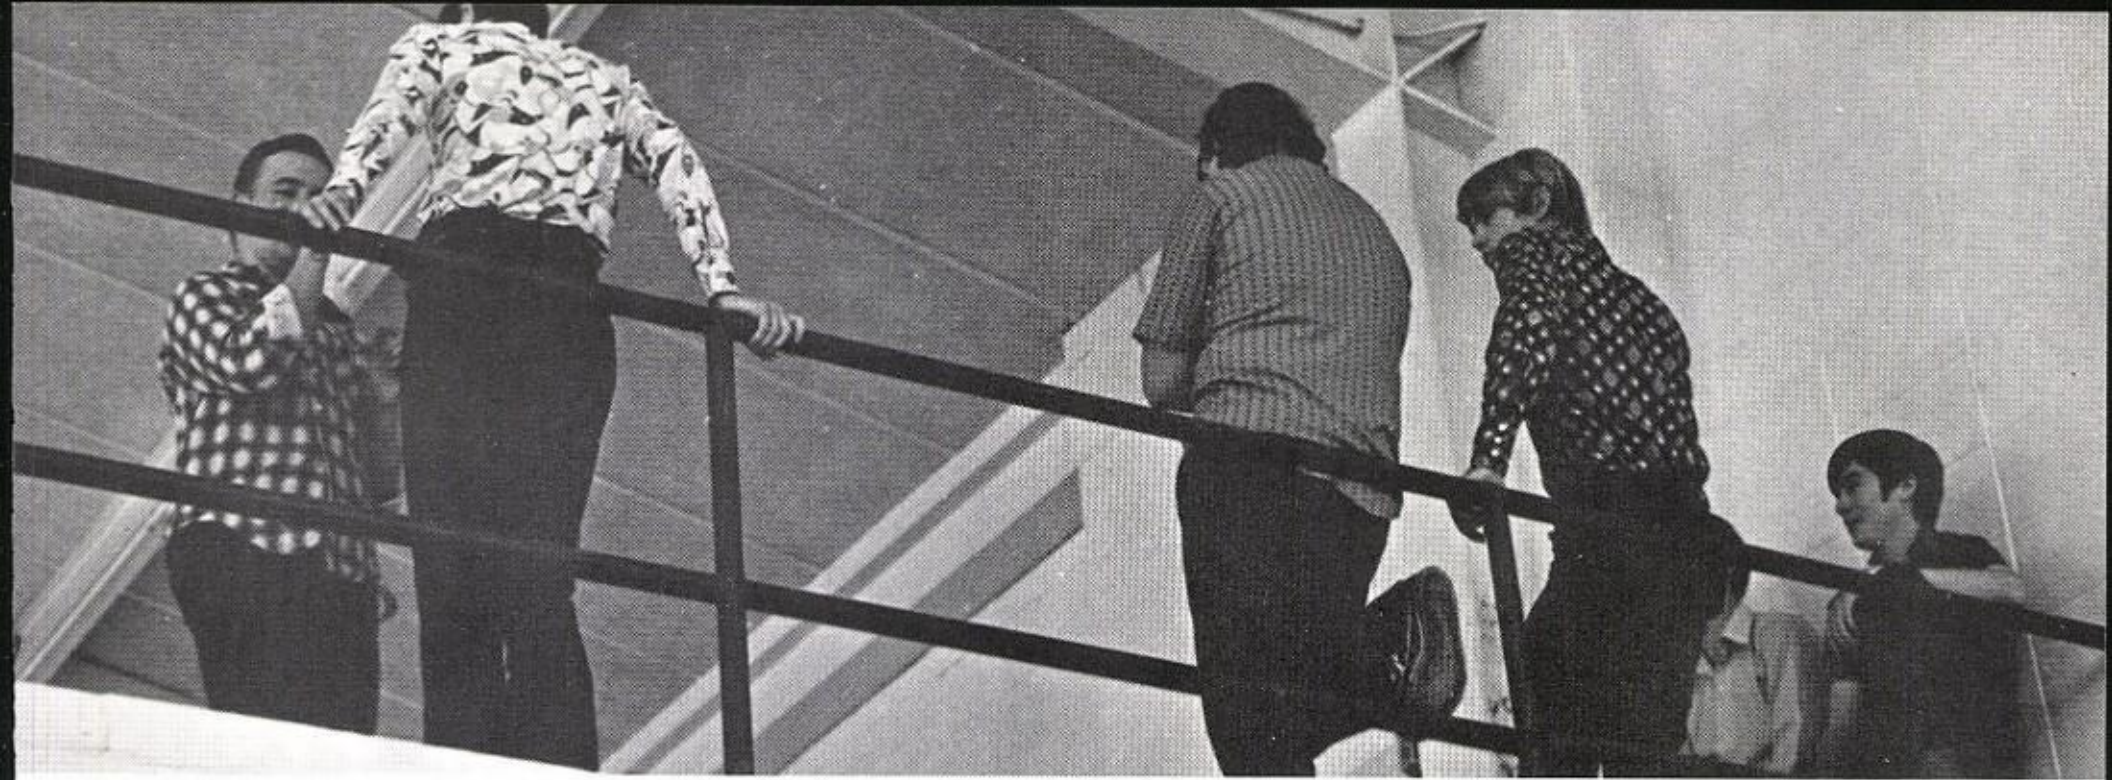

The Bulldogs finished the season with the regional tournament at Eldo. We won the first game but lost the next one and was eliminated from the tournament. Lamar placed first in the regional but was defeated by Nixa in state competition. In the Blue and Gold Tournament the Bulldogs placed fourth and received the sportsmanship award. We won first in our own tournament. In the conference Eldo had a 5-2 record and two players make all-conference. They were Gillis Leonard and Kent Kelsay. Receiving honorable mention were Rick Pinkman and Mike Markham. The Joplin Globe named Gillis Leonard to their all-district team and Rick Pinkman and Kent Kelsay to the honorable-mention.

This year Sophomores are proud of their class. They rate themselves as kings, you can just ask any of them, they'll tell you. In picture 1 we see the class off guard on their lunch break. In picture 2 it is illustrated to us that the class has heavy rhythm with their "Let's Boogie" poster made by Karma Gardner. In Picture 3 Gillis Leonard is trying to convince Becky Sadler that he is the Joe Namath of the class. Water is a simple pleasure to Steve Harris in picture 4. In picture 5 Faye Moore is telling us that she is a really swinging girl. Picture 6 we see Kirk Sibley asleep in a corner a typical sophomore in pleasure and relaxation. Occasionally the Sophomores finish their homework, contribute in class, do group testing and really participate in everything.

Juniors Climb to the Top

The Junior Class broke the record in magazine sales with a grand total of \$5,671.51. With the help of Mrs. Morlan and Sales Manager, Julie Lewis; Bob Mowrey, Sandra Shellhorn, and Sheryl Smith won the honor of top salesmen. The Class of '75 are excited over the ordering of senior rings. After working hard, the time comes for Juniors to play. They climbed to the top and they wish to thank all that helped them succeed . .

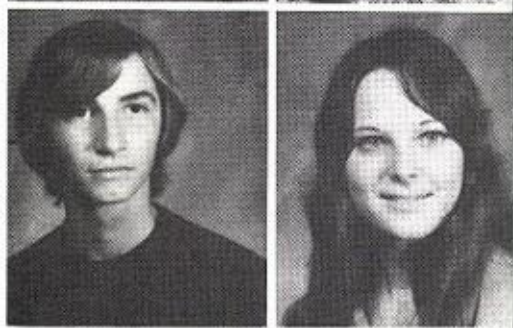

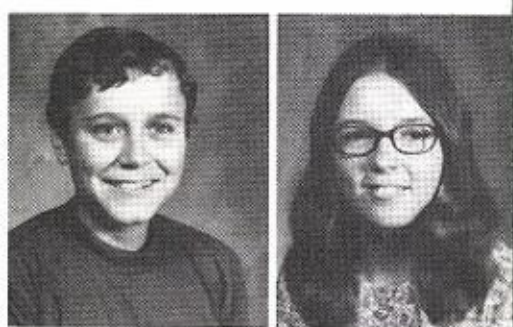

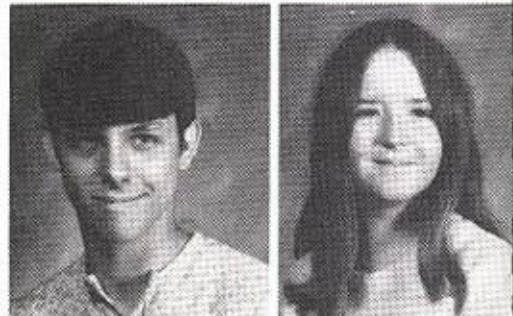

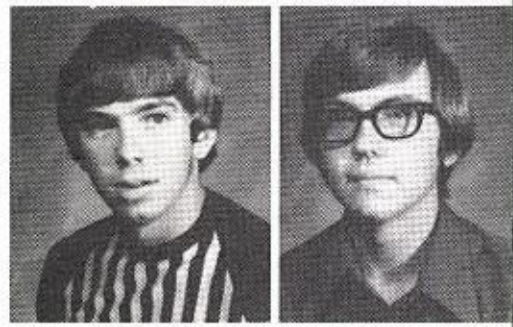

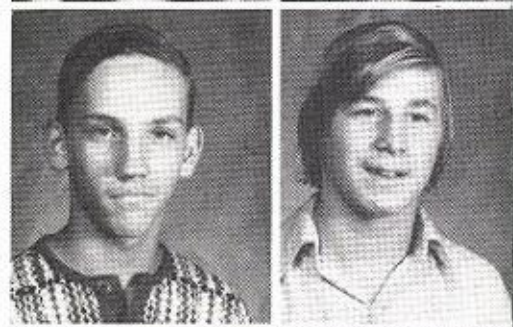

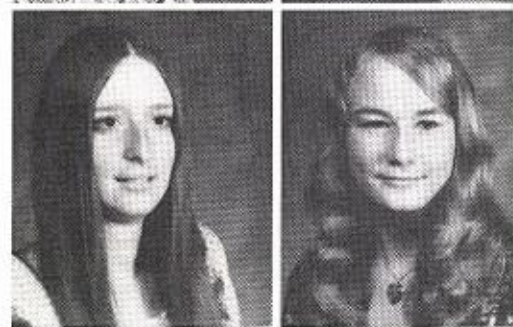

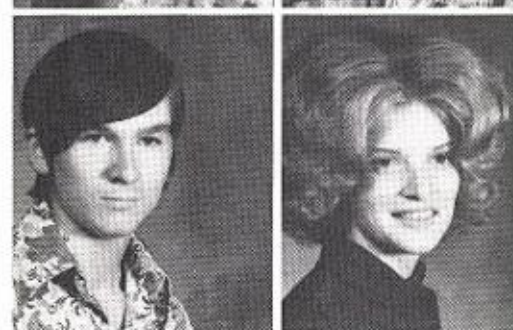

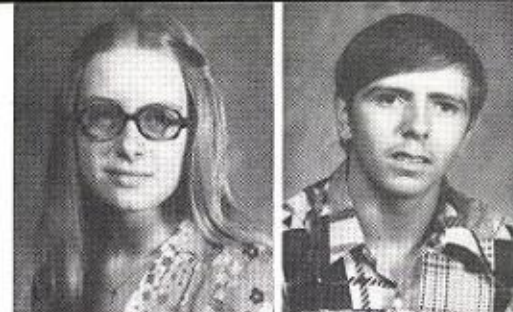

1

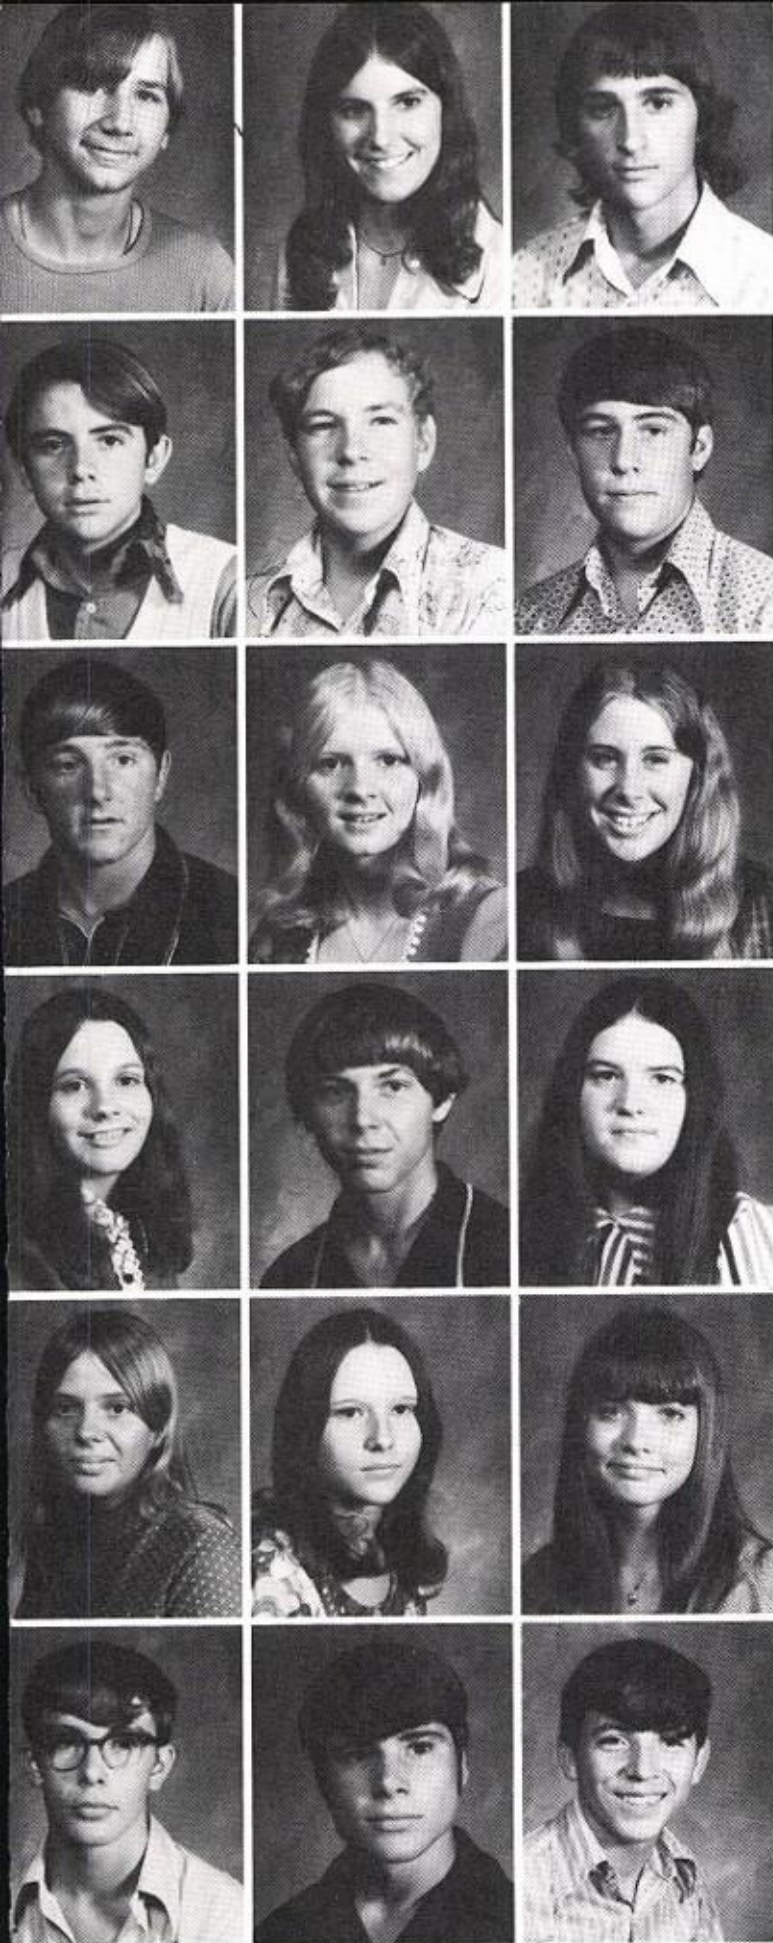

1. Junior Class Officers are Bob Mowrey, President; Ronnie Whitesell Vice President; Sandra Shellhorn, Secretary; and Jaxcene Reich, Treasurer. 2. Mr. Jean Charles, a representative from QSP, explains magazine sales. 3. Bob Mowrey receives a transistor television set for being top salesman. 4. Most Juniors climb to the top in the world but Carol Capps goes down . . 5. Juniors work hard for fantastic prizes from their magazine sales.

In Eighth Grade you have everything to look forward to. In Picture No. 1 Mr. Greenwood's class studies the Missouri Constitution. No. 2 Mr. Greenwood is not only a teacher but a Jr. High Coach. No. 3 These students are discussing their Field Trip in Science Class. No. 4 Brenda Butts gives her version of the trip. No. 5 Mrs. Barrett listens as her students tell her what they have learned on their trip. No. 6 Mr. Justice has the hard job of teaching Jr. High Math and is also the 1st hour Study Hall keeper. No. 7 In this picture Jill Simone plays with a pet hamster as Mrs. Barrett looks on.

5

1

In the first picture, piles of books and lots of studying remind eighth graders of coming years in high school. The second picture shows Mr. Hulett helping Jeff Barnes in shop reach perfection on his project. Experimenting with hairstyles can be fun and may bring beautifying results. In the fourth picture, Miss Armstrong lectures on the art of beautiful hair. In the fifth picture, 8th grade band members wait with the rest of the high school band, both ready to show their talent at half time. Dana Swagger can show her school spirit on the ground as well as in the air. In picture seven, Terri Winters anxiously helps fellow 8th graders get seated in the old gym for a Pep Assembly, where the cheerleaders and students will yell the football players on. Picture eight shows the 8th grade cheerleaders working together at a home game.

Arriving at school for his first time is an exciting experience for Mark Pierce as can be seen in picture 1. Learning to write his name can be a thrilling and perhaps difficult job and a student can sometimes use a teacher's helping hand as Larry Bryant finds out in picture 2. Students can't always get to sleep when rest time comes and a teacher can sometimes make the time pass faster with a good story like the one Mrs. Wakefield is reading in picture 3. After a hard day at school, pupils are happy to know that the day is over and getting to ride the bus home is fun as is shown in picture 4.

4

Some Like It. . .

1

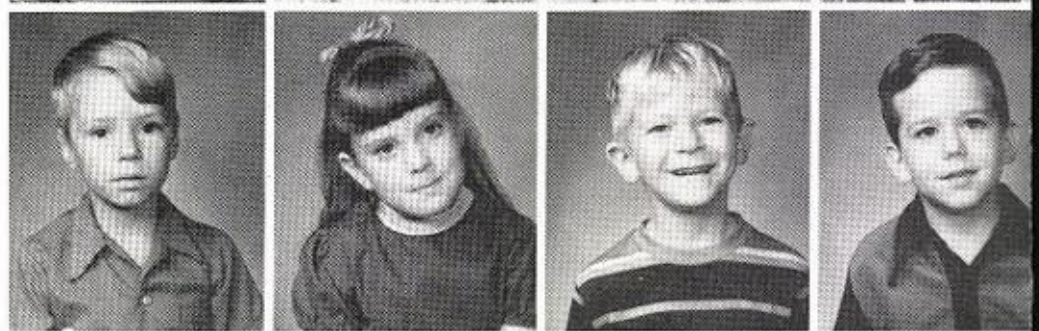

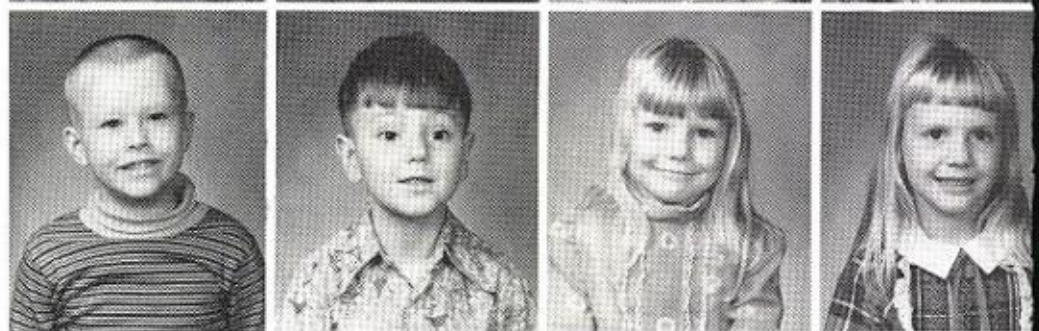

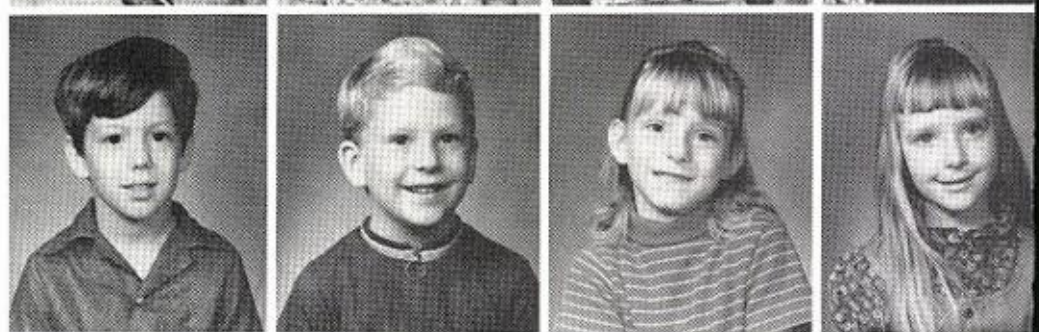

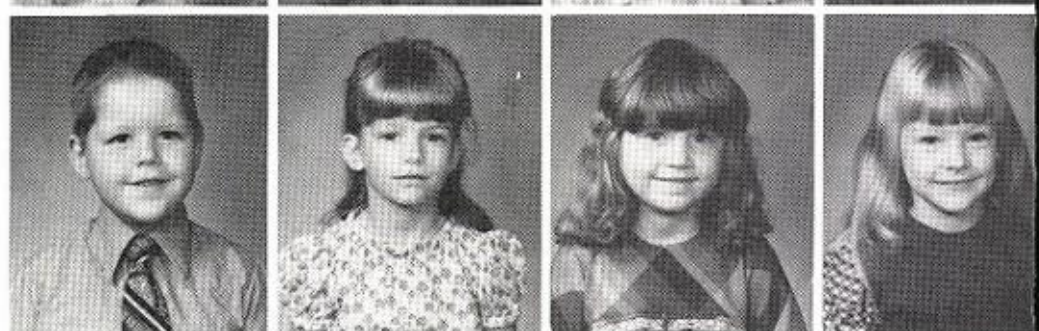

2

4

3

Some like school because they get to play with their friends, as in picture 1. In picture 2, two girls play a game of patty-cake during break. Lunchtime, picture 3, illustrates one of the few times all the Kindergarten get together at once. A hamster gets all the attention it will want during cage cleaning time, as picture 4 shows. In picture 5, Mrs. Williams helps one of her students who is having trouble with his work. Three of the boys seem to have a little misunderstanding in picture 6. As picture 7 points out, there are hardships even in Kindergarten, and tears come to the eyes of Georgetta Thompson when she falls off the merry-go-round.

. . . Some Do Not

1. As kindergartners we are proud to have a whole building to ourselves. 2. There is room on the merry-go-round for many people. 3. Some of us go the whole day, so we take a rest after our lunch. 4. First graders enter a new building to continue their education. 5. Mrs. Thelma Forrest decorates the board. 6. A pumpkin and, 7. a scarecrow are for Halloween. 8. Everyone has his own idea about his teacher. 9. In art, we see what other classes do.

Fourth Graders Get Different Teachers for Different Classes

Fourth graders are eager to learn and they make a big change from the third grade to the fourth. It's the biggest change in their school lives. Fourth graders begin to change classes for each subject; they now have a bigger and fuller set of subjects than last year including social studies and Missouri history. They have very good imaginations which leads to a lot of fun for both the student and the teacher.

3

Being a fourth grader means being halfway through elementary, with all of high school before us. It seems like such a long time to wait, but when we finally make it, we will be the seniors of 1982. No one knows right now what the world will be like then, but it will be ours if it is better or worse. We have our whole lives ahead of us, and we will make the best of them. We do not care if there is a depression or World War Three, because we will have the answers. We are a new breed of Americans, the Future Generation. Nothing can stop us now. So look out world, we may be only fourth graders right now, but we are the Seniors of "82".

Sixth Grade So Close Yet

Sixth graders are learning more in the areas of Science, Health, Math, Language Arts, and History.

In Science they are making posters, terrariums, and reports.

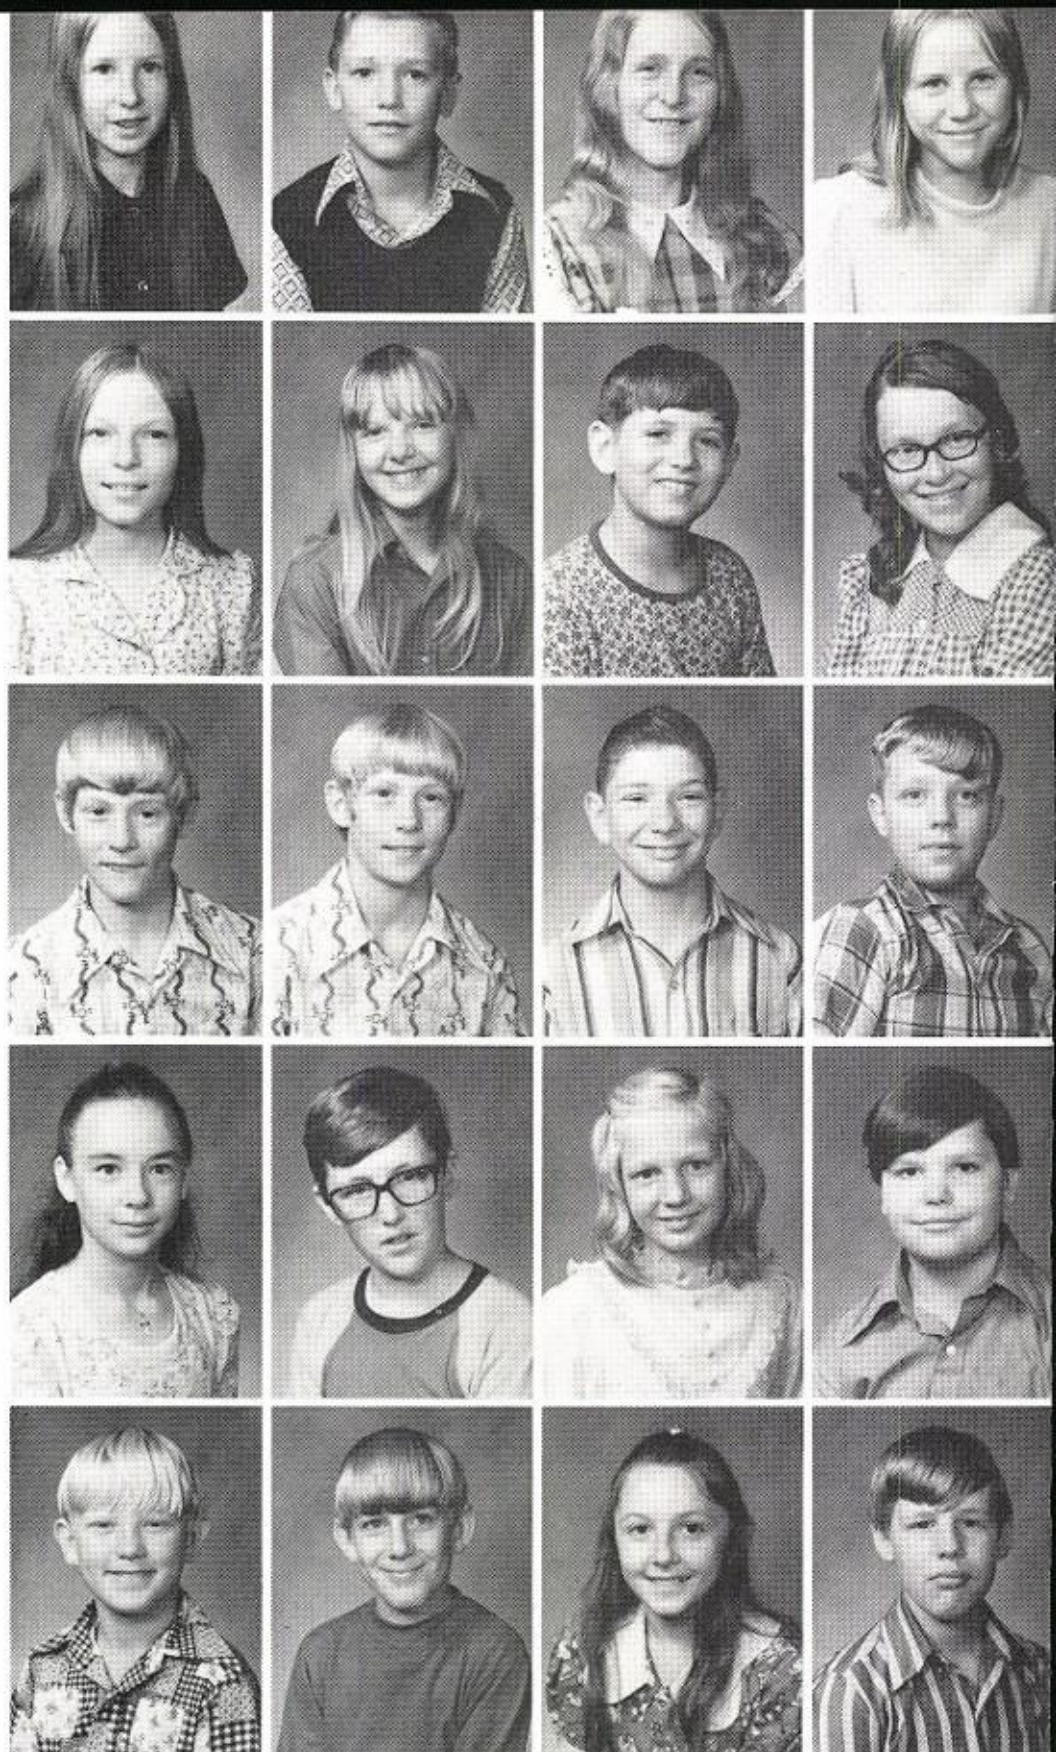

In Health they are doing research on scientists, disease, and our ecology.

In Math they are learning addition, subtraction, division, and multiplication of fractions.

In Language Arts they are learning the uses of sentence structure.

In History they are finding out about Latin American animals.
